Anticipated to become the tallest residential building south of New York, Aston Martin Residences is designed by Gensler Architecture and James M. Fox Architects, globally renowned for their exceptional landmark properties. A total of 391 residences will combine a breathtaking design aesthetic, featuring spectacular panoramic views of Biscayne Bay and the Atlantic Ocean. Aston Martin's design team, led by EVP and Chief Creative Officer, Marek Reichman, has formed a unique collaboration with the leading architectural visionaries to design the interior and amenity spaces throughout the property to reflect

Aston Martin's core personality. Residents will be able to relax and unwind within 49,275 sq. ft. of outstanding

Sky Amenities spanning four levels, connected by a monumental glass staircase between the building's 52nd and 55th floors. These exquisite spaces will be enclosed in a total symphony of natural materials, such as, as part of a natural-themed building that reflects the remarkable ability of being superb views of the city and the ocean. Shared areas will include a beautiful infinity pool, Sky Bar & Lounge, concierge and clubhouse located on the 55th floor. Residents will also enjoy direct

access to Biscayne Bay via an exclusive submerged marina located adjacent to the property. *In this, our first residential development, the interiors are inspired by Aston Martin, but take in a consideration Miami's tropical environment," says Marek Reichman. "Our design language is based on beauty and the honesty and authenticity of materials. It's simple and pure and it has an elegance that adheres to beautiful proportions.

We are incorporating Aston Martin's DNA through subtle details and fine craftsmanship, with an emphasis on comfort. This building is for people who appreciate the finest quality and craftsmanship, and for those who live the feeling of something that's One of a Kind.
